**All Alternative Investment Funds (AIFs)**

**All Venture Capital Funds (VCFs) registered under SEBI (Venture Capital Funds) Regulations, 1996**

Dear Sir / Madam,

**Sub: Guidelines on overseas investments and other issues/clarifications for AIFs/VCFs**

1. SEBI (Alternative Investment Funds) Regulations, 2012 ("AIF Regulations") were notified on May 21, 2012 repealing and replacing the erstwhile SEBI (Venture Capital Funds) Regulations, 1996. As on August 31, 2015, there are 165 Alternative Investments Funds (AIFs) registered with SEBI.
2. In this regard, it is specified as under:
  - A. Overseas Investment by Venture Capital Funds (VCFs) registered under SEBI (Venture Capital Funds) Regulations, 1996 (*now repealed*)**
    - a. VCFs registered under erstwhile SEBI (Venture Capital Funds) Regulations, 1996 are permitted to invest in Offshore Venture Capital Undertakings which have an Indian connection upto 10% of the investible funds of a VCF in terms of the SEBI circular no. SEBI/VCF/Cir no.1/98645/2007 dated August 09, 2007.
    - b. SEBI has received several representations from the industry that there has been, in recent times, an increased interest of Indian entrepreneurs outside India. Many Indian entrepreneurs have been setting up their headquarters outside India with back end operations and/ or research and developments being undertaken in India. Therefore, there is a need to allow higher overseas investment by VCFs beyond the existing 10% limit.
    - c. The representations also state that such investments would provide opportunities to the funds to generate better returns globally, getting exposure to the international markets practices, etc.
    - d. As such investments are required to have an Indian connection, It is anticipated that such investments will generate indirect benefits to India through bringing in resources, technology upgradation, skill enhancement, new employment, spill-overs, etc.
